Dear Dr. Eisenberg,

Thank you for your letter of December 17th. I am sorry to be so slow in responding; your letter must have been delayed in the Christmas rush. I am enclosing with this letter a copy of the tentative program for the meeting. The meeting will be held April 3rd through April 5th in Villas by the Sea, Jekyl Island, Georgia. Although the enclosed program does not represent the final program, all of the speakers listed have committed themselves to attend. We anticipate that each session will accommodate one or two speakers in addition to those listed. I hope you find this information useful.

Thank you for your consideration.

Sincerely,

Jeffrey A. Frelinger, Ph.D.
